## Your day

Our Egyptologist guide will pick you up, and the tour begins with a visit to the High Dam, an engineering marvel that was built in 1960 to control the flow of the Nile River and provide water for irrigation and hydroelectric power.

Next, we will visit the Unfinished Obelisk, a massive stone obelisk that was left unfinished by the ancient Egyptians. This impressive structure provides a glimpse into the techniques used by the ancient Egyptians to cut and transport these massive stones.

Finally, we will visit the Philae Temple, a beautiful temple complex dedicated to the goddess Isis. This UNESCO World Heritage Site is located on the island of Philae in the Nile River, and it is one of the most popular tourist destinations in Aswan.
