

Submarine Trip & Snorkeling

Ucustomized

Discover the Wonders Beneath the Waves — No Diving RequiredEmbark on a unique adventure through the vibrant underwater world of the Red Sea aboard a semi-submarine. Stay comfortably dry while enjoying panoramic views of dazzling coral reefs and fascinating marine life through expansive viewing windows. Ideal for families, children, and those who prefer not to snorkel or dive, this experience offers an unforgettable glimpse into one of the world's most beautiful aquatic landscapes.

Meeting point: From/To your accommodation

Pick-up time: Will be known a day before the trip

Your day

Unforgettable Underwater Adventure in Marsa AlamYour journey begins with a comfortable, air-conditioned transfer from your hotel in Marsa Alam to the marina, where your underwater exploration awaits.

Step aboard a modern semi-submarine and descend into the observation cabin, designed for comfort and panoramic viewing. Through large, crystal-clear windows, witness the breathtaking beauty of the Red Sea's vibrant coral reefs, colorful fish, and fascinating marine life—all without getting wet. The cabin features air-conditioning and swivel seats, providing an ideal setting for relaxation and photography.

Following your semi-submarine tour, enjoy approximately 30 minutes of snorkeling in the warm, clear waters. Get up close to the reef and experience the marine wonders firsthand.

Join us for a unique and memorable marine adventure—perfect for families, couples, and anyone seeking the magic of the Red Sea.
