Your day

You will be picked up from your hotel for a unique opportunity to see the underwater world of the Red Sea without having to scuba dive. The submarine is air-conditioned and has comfortable seats, so you can relax and enjoy the ride. There are large viewing windows so you can get a great view of the coral reefs and colorful fish. A crew of two pilots will take you on a safe and exciting journey.

During your 2-hour underwater adventure, you will see a variety of marine life, including clownfish, angelfish, moray eels, and even sharks. You will also get to see some of the most beautiful coral reefs in the world.
